The Women in Our Lives: Generations Living and Working Together

Speaker: Grace Balch

Grace is the Director of UC San Diego Staff Education and development and has worked at UCSD since 1985. She has graciously donated her time to lead us in discussions about inter-generational relationships. Grace has worked with thousands of university leaders and employees and has over 25 years of experience as a teacher, trainer, public speaker, and workshop leader. She has a Bachelor's degree in Religious Studies and a Master's Degree in Religion and Culture from San Diego State University.

Come refresh your soul and stretch your mind, and take time to feel God's presence. We'll form new friendships, enjoy our established ones, relax in the peaceful setting, be fed and otherwise generally cared for – worth the price of admission
