ALTAR FLOWERS: Today's altar flowers are given by Anne Nation in memory of her husband, Bob Nation, whose birthday would have been August 9th; and by Janet Nord in honor of Mariane Reid's 98th birthday today (her first celebration in heaven) with love from her family; and by Manuelita Brown in celebration of Willie Brown's 84th birthday on August 8th.

Lord's Prayer

*Our father, who art in heaven, hallowed be thy name.
Thy kingdom come, thy will be done on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses, as we forgive those who trespass against us.
And lead us not into temptation but deliver us from evil.
For thine is the kingdom, and the power, and the glory, forever. Amen.*

Scripture Lesson Galatians 3:23-29

²³Now before faith came, we were imprisoned and guarded under the law until faith would be revealed. ²⁴Therefore the law was our disciplinarian until Christ came, so that we might be justified by faith. ²⁵But now that faith has come, we are no longer subject to a disciplinarian, ²⁶for in Christ Jesus you are all children of God through faith. ²⁷As many of you as were baptized into Christ have clothed yourselves with Christ. ²⁸There is no longer Jew or Greek, there is no longer slave or free, there is no longer male and female; for all of you are one in Christ Jesus. ²⁹And if you belong to Christ, then you are Abraham's offspring, heirs according to the promise.

The Word of God for the people of God.

Thanks be to God!

Opening Song: "Come Together"

Here come old flat top	He roller coaster
He come grooving up slowly	He got early warning

He one holy roller	He one mojo filter

Got to be a joker he just do what he please	Got to be good looking 'cause he's so hard to see
He wear no shoe shine	
He got toe jam football	Come together, right now, over me
He got monkey finger

One thing I can tell you is you got to be free	Come together, yeah
	Come together, yeah
Come together, right now, over me	Come together, yeah
	Come together, yeah
He bag production	Come together, yeah
He got walrus gumboot	Come together, yeah
He got Ono sideboard	Come together, yeah
He one spinal cracker	Oh
He got feet down below his knee	Come together, yeah
Hold you in his armchair you can feel his disease	Come together, yeah
Come together, right now, over me	

First Song

“Here Comes the Sun”

Here comes the sun do, do, do
Here comes the sun
And I say it's all right
Little darling, it's been a long cold lonely winter
Little darling,
it seems like years since it's been here

Here comes the sun do, do, do
Here comes the sun
And I say it's all right
Little darling, the smiles returning to the faces
Little darling,
it feels like years since it's been here

Here comes the sun do, do, do
Here comes the sun
And I say it's all right
Little darling, I feel that ice is slowly melting
Little darling,
it seems like years since it's been clear

Here comes the sun do, do, do
Here comes the sun
And I say it's all right
Here comes the sun do, do, do
Here comes the sun
And I say it's all right

Second Song

“Hey Jude”

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her into your heart,
Then you can start to make it better.

Hey Jude, don't be afraid.
You were made to go out and get her.
The minute you let her under your skin,
Then you begin to make it better.
And anytime you feel the pain, hey Jude, refrain,
Don't carry the world upon your shoulders.
For well you know that it's a fool who plays it cool
By making his world a little colder.

Hey Jude, don't let me down.
You have found her, now go and get her.
Remember to let her into your heart,
Then you can start to make it better.
So let it out and let it in, hey Jude, begin,
You're waiting for someone to perform with.
And don't you know that it's just you,
hey Jude, you'll do,
The movement you need is on your shoulder.

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her under your skin,
Then you'll begin to make it
Better better better better better better, oh.
Na na na nananana, nannana, hey Jude...

Third Song

“Imagine”

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Livin' for today - Ah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Livin' life in peace - You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world - You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Fourth Song

“Let It Be”

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness
she is standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people
living in the world agree
There will be an answer, let it be
For though they may be parted,
there is still a chance that they will see
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be

And when the night is cloudy
there is still a light that shines on me
Shinin' until tomorrow, let it be
I wake up to the sound of music,
Mother Mary comes to me
Speaking words of wisdom, let it be

And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

Closing Song

“Getting Better”

It's getting better all the time
I used to get mad at my school
(no, I can't complain)
The teachers who taught me weren't cool
(no, I can't complain)
You're holding me down (ah-ah)
Turning me round (oh-oh)
Filling me up with your rules (foolish rules)
I've got to admit it's getting better (better)
A little better all the time (it can't get no worse)
I have to admit it's getting better (better)
It's getting better
Since you've been mine
Me used to be angry young man
Me hiding me head in the sand
You gave me the word, I finally heard
I'm doing the best that I can
I've got to admit it's getting better (better)
A little better all the time (it can't get no worse)
I have to admit it's getting better (better)
It's getting better
Since you've been mine
Getting so much better all the time
It's getting better all the time
Better, better, better
It's getting better all the time
Better, better, better
I used to be cruel to my woman
I'd selfishly keep her apart
from the things that she loved
Man, I was mean but I'm changing my scene
And I'm doing the best that I can (ooh)
I admit it's getting better (better)
A little better all the time (it can't get no worse)
Yes, I admit it's getting better (better)
It's getting better
Since you've been mine
Getting so much better all the time
It's getting better all the time
Better, better, better
It's getting better all the time
Better, better, better
Getting so much better all the time
